Employee Engagement  
Leadership Transitions  
Organizational Conflict  
Facilitating Executive Teams

### CLIENTS

State Government Agencies  
City Governments  
County Associations  
Non-profit Boards  
Higher Education Institutions  
Private Sector Companies

### Team Development

I specialize in helping teams build and maintain trust. In a high trust culture, teams are engaged and achieve extraordinary results. I conduct assessments of teams and provide data-driven recommendations to leaders for action.

*I have a proven track record for helping leaders and teams build trust and thrive.*

### Facilitation

I dedicate time upfront to listen and gain clarity on what success looks like and then facilitate towards achievement. I guide and support the development of vision, mission and values and how to make those come alive in an organization.

*I have designed and facilitated hundreds of meetings and retreats for executives, leaders and teams.*

### Trainings and Workshops

I am a Certified Trainer known for making training relevant, memorable and fun. I'm well-versed in adult learning theory and teach graduate level courses in leadership development.

*I have designed and delivered training and workshops to thousands of leaders and practitioners.*

### Coaching

I am a Certified Mediator and have mediated hundreds of workplace conflicts.

*As a Certified Mediator I help leaders and teams manage organizational conflict.*
